SPECIFICATION OF LAND TO BE DISAFFORESTED.

Number and district.	Taluk.	Names of villages.	Name of block	Area in acres	Boundaries

Maiyur.	acs. 313·20	*North*—Starting from the north-east corner of survey No 529 of Pilappur village, the line runs eastwards to the south east corner of survey No. 534; thence along the south side of survey Nos. 534 and 533 to the south-east corner of the latter field.

East.—Thence southwards along the west side of survey No 532 of Pilappur village to its south-west corner; thence a straight line south-south-west to the north-east corner of survey No. 648 of Maiyur village.

South.—Thence westwards along the north sides of survey Nos. 646 and 551 to the north-west corner of the last field; thence north by west to the south-east corner of survey No 642, all of Maiyur village.

Brief description.—This tope was planted by Mr. Croix, the then Collector, under jungle conservancy and handed over to Forest Department in 1883. It contains many mango and jackfruit trees. About 10 acres have been planted with casuarina between 1908-1909 and 1912-13 and about 80 acres have been planted with various kinds of seedlings between 1907-1908 and 1910-1911. There are also several clumps of bamboo trees growing in the tope.

Reasons for disafforestation.—The tope is under 1 square mile in extent. It is not a fuel plantation and is not needed for carrying out agricultural experiments. The system of Maiyur have very little lands for communal purposes and as the tope contains mostly fruit trees there is no necessity to keep it as reserved forest. In their Order Mis. No. 2061, Revenue, dated 10th September 1915, the Government have ordered the disafforestation of this block, and the notification is in accordance with that order.

Fort St. George, November 8, 1915.

(*b*) Unreserved land.

II. Reserved land includes all lands notified under the next following rule III.
All other lands at the disposal of the estate are "unreserved lands."

III. Upon the limits of any such area being notified in the district gazette, it shall be unlawful for any person to fell, remove, girdle, mark, lop, tap, uproot, burn or strip off the bark or leaves from or otherwise damage any tree within such area or use, injure or remove any forest produce found thereon unless he is authorised to do so by the estate forest officer or by some one duly authorised by him to grant such permission.

IV. On reserved lands no fresh clearing shall be made for cultivation or for any other purpose unless a patta or lease has first been obtained from the estate forest officer.

V. On all unreserved land in any village, the grazing of cattle, the cutting of grass, the collection of dry wood, thorns, leaves of trees and shrubs that are not reserved and the felling of trees other than those included in the list of reserved trees will be permitted free of charge, provided that the grass, wood, thorns and leaves or trees are required by the inhabitants of that or of neighbouring villages for agricultural or domestic purposes. Heads of villages will be held responsible for seeing that the above privileges are not abused, and in the case of dispute the Collector will decide which are neighbouring villages within the meaning of this rule.

VI. The Collector may, by order in writing to be duly notified in the district gazette, select any areas within the reserved lands and may constitute them fuel or fodder reserves or grazing grounds or may direct them to be placed under special fire protection. Upon the limits of any such area being notified in the district gazette it shall be unlawful for any person wilfully or negligently to set fire to any trees, timber, grass or other forest produce or to kindle or to keep burning any fire or to graze cattle or to permit cattle to trespass within such area except at such places and subject to such conditions as may be prescribed by the Collector by notification in the district gazette.

VII. Trees of the following species are reserved trees wherever found, whether upon reserved or unreserved lands; and such trees shall not ordinarily be felled or otherwise interfered with except on permit given by the estate forest officer or other authorised officials of the estate on such conditions as may be notified from time to time by the Collector in the district gazette. 5. Attention is drawn to the following rules :—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Commissioner.

(5) *Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.*

(6) *No candidate will, on any account, be allowed to take into the examination room ink, slates, books, ruled sheets, manuscripts, or papers of any kind.* Any one detected in the violation of this rule or having recourse to any unfair practices will be removed from the room and the occurrence reported to the Commissioner. Candidates will, however, be allowed the use of mathematical instruments for drawing figures or ruling lines.

(7) Candidates whose names are not in the printed list furnished to the Superintendent must submit a written declaration through the Superintendent, giving full particulars in regard to themselves *including their address* and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(8) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will, on no account, leave his place.

(9) Any answer paper sent up without the candidate's name and number affixed will not be valued. The answer papers and drawings should be stitched or pinned together at the upper left-hand corner, and the whole folded as two lengthwise (not crosswise into four). The place of examination and the name and number should be written out clearly by the candidate on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

3. Government reserves to itself all gold and other minerals, coal and stone or rock containing or supposed to contain gold or other minerals, and coal known to exist or which may, at any time hereafter, be discovered on, in, or under the said lands or any part thereof, together with full and free liberty and right of ingress, egress and regress by nearest way at all times for Government servants, agents and workmen, and all persons duly authorized by Government in and upon the said lands, and either with or without horses and other cattle, carts, waggons, and other carriages and to erect on the said lands and use any engines and machinery for the purpose of searching for, working, getting and carrying away such gold and other minerals and coal and also to sink, drive, make and use upon the said lands, mines, pits, shafts, drifts, adits, air-courses and water-courses, and to use all water which may be lifted or raised from the same, also to appropriate and use any part of the surface of the said lands for placing thereon the minerals, waste, rubbish and other substances got from such mines, and generally to do all acts and things necessary or proper for working and getting such gold and other minerals and coal and rendering same merchantable, Government paying or rendering compensation to the purchaser, his heirs, representatives and assigns for all damage he or they shall sustain by reason of the exercise of such right of way or by the erection and use of any such engines, machinery, or works or the exercise of all or any of such rights.

3A. The Government also reserve to themselves the right to control and regulate at their absolute discretion, the collection, retention, and distribution of the water in or under the said lands or any part thereof, of all rivers and streams flowing in natural channels and of natural lakes and pools or of the water flowing, collected, retained or distributed, in, or by any channel or other work constructed at the public expense and in particular to interrupt or make material alteration in the quantity, quality, direction force or temperature of the said water and to cut off, stop and hinder the whole or any portion of the supply of the said water without being liable in any case to pay compensation for so doing.

(3) If the survey and demarcation of the lands have not been completed.

(4) If the sale has been ascertained to be objectionable on public grounds.

(5) If any claim of private ownership or exclusive occupancy or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

The sale will be made subject to the following conditions :—

Conditions of Sale.

1. That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arise between two or more bidders at the same price, the lot shall be immediately put up again at the last preceding undisputed bidding and re-sold.

2. That immediately after the lot is knocked down the purchaser thereof shall pay to the Collector or the officer authorized by him to conduct the sale a deposit of Rs. 10 per centum in part payment of his purchase-money and shall, at the same time, sign an acknowledgment in Form Y.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase-money, and shall thereupon receive a patta for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever as to the particulars of the property.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs 12 per cent. per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition, provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6. That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited, and retained by Government, and the Government shall be at liberty to re-sell the lot either by public auction or private contract without the necessity of previously granting a patta to the purchaser; and the deficiency, if any, arising from such re-sale, together with all expenses attending it, shall be made good by the purchaser at the present sale who shall so neglect or refuse as and for liquidated damages.

7. That the assessment on the land shall be paid from fasli 1326, *i.e.*, from 1st July 1916.
